

APPLICATION FOR AN INDEFINITE LISTING PRIVILEGE (ILP)

Congratulations on your interest in the Indefinite Listing Program. An ILP is not the equivalent of an AKC registration, but will enable you to enter in OBEDIENCE TRIALS, TRACKING TESTS, HERDING, LURE COURSING, AGILITY, EARTHDOG EVENTS and HUNTING TESTS (for registrable breeds).

The ILP number must be given on the entry form each time the dog is entered.

AKC's primary function is to regulate the breeding and exhibition of registered purebred dogs. The issuance of an ILP for an unregistrable dog is strictly a discretionary accommodation, and AKC would not wish to see an ILP treated as an alternate form of registration, with unregistrable dogs being bred on the basis of an ILP number. **Thus, for all applications received after September 1, 1989, an ILP will be issued to an unregistrable dog of a registrable breed only if the dog in question has been spayed or neutered.**

Dog must be six months of age.

FAILURE TO COMPLETE THE APPLICATION PROPERLY WILL RESULT IN UNNECESSARY DELAYS IN PROCESSING.

Help us process your application quickly by including ALL of the following information:

- Two recent and clear photographs (in color) of the dog in **standing** position; one in a **full front view**, and the other a **full profile**. These photographs become the property of The AKC and will not be returned.
- Certification that dog has been either spayed or neutered.
- A fee of \$25.00. A check or money order must accompany the application. Remittance will be returned if the application is not granted. If paying by credit card, please complete the section below:
